

Dark Night of the Soul

VERSE 1

F **F**
In the dark night of the soul
F **C**
Oh my faith has come unfurled
Dm **Bb**
And in the midnight storms and gales
F **C** **F**
I've lost my way on troubled shoals

COR WORSHIP COLLECTIVE

REFRAIN

F **Bb** **F**
So I sing my song with heart and soul
F **Bb** **C**
From the deepest well I shed my tears
Dm **Bb** **F**
And in faith I stand on Christ's unfailing love
Bb **F** **C** **F**
I will sing, I will sing 'till the morning comes

VERSE 2

And in sorrows voiceless deep
Where all hope seems out of reach
There is no depth Christ will not go
I find his song is all I need

REFRAIN

VERSE 3

Take my hand Lord lead the way
To the spring of endless grace
Where heaven's healing waters flow
Where heavy hearts go find their rest

REFRAIN

INSTRUMENTAL: Gm Dm F C (x 4)

VERSE 4

When my soul is overcome
And my voice is all but gone
The saints of earth and heaven raise
F (x 7) Bb (build)
For me a song; my heart rejoice

REFRAIN (x 2)
